7B: Reading Comprehension

Study Skill Review notes that you have taken in class as soon as possible to clarify any points you missed. Be sure to ask questions if you need extra help.

Here is a circle graph for a monthly household budget. Use the graph to answer the questions that follow.

1. On which category was the largest percent of income spent? 
2. On which category was the smallest percent of income spent? 
3. Why are the insurance, savings, and charity sectors the same size? 
4. What is the total of the percents listed in the circle graph? 
5. If the monthly income is $2,400, how much should be spent on an automobile? 
6. How much of a $1,900 monthly income should be saved? 
7. If $60 is the amount budgeted for entertainment, what is the monthly income? 

8. High-Use Academic Words What does it mean to review, as mentioned in the study skill?
   a. to put in order
   b. to study again
